# Master of Notary

Postgraduate Study Program  
Faculty of Law  
University of Surabaya

1

## INTRODUCTION

In 2003, Ubaya established the Master of Notary study program based on the Director General of Higher Education Decree no. 1180/D/T/2003 dated June 10, 2003. The study program is organized to produce graduates who can master high legal knowledge to be applied in legal services to the community. Not only in the fields of making business entity deeds, contract deeds, land deeds, and family and inheritance deeds but also in professional work in other legal fields such as consultants, law offices, capital market consultants, and so on.

2

## VISION & MISSION

### Vision

To be an excellent graduate professional School of Law in Indonesia.

### Mission

To anticipate existing obstacles in the Master of Notary study program through SWOT analysis to create new situations and conditions that can attract undergraduate students to enter the Master of Notary study program at the Faculty of Law, University of Surabaya while maintaining the quality of education in particular and targeting quantity in general. To establish cooperative relationships with agencies related to the Master of Notary study program.

3
